FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Social Services - Division of Family Services (DFS)** assume that the division will fulfill the requirements of this proposal as part of its routine administrative responsibilities. The DFS assumes this proposal will not cause a significant fiscal impact.

Oversight contacted the Office of Administration (OA) Print Shop to obtain an approximate cost of the signs noted in the proposal. The OA Print Shop quoted a total price of \$ 494 for 200 signs printed on 60 pound paper and lamination on both sides. Oversight assumed 200 signs would be sufficient to supply the sites where the applications for MC+ program are made. Oversight notes that the DFS will absorb the minimal cost with existing resources.
